

Agile Desks

New Zealand's most versatile workstation system - that's why we call it 'Agile'. Agile's understated simplicity allows users to alternate between seated and standing work positions.

FEATURES

- Commercial-grade 25mm construction finished in melamine with 2mm PVC edge.
- Frames are available in two configurations single and shared with your choice of powdercoat finish.
- Compatible with Studio50 screens (with or without cable management).
- Optional cable trays are available.
- Winder: Handle folds away when not in use.
- Electric: Smooth silent path - so no co-worker disturbance or irritation.
- Electric 2 column: Single motor and digital height readout with 4 point memory.
- Electric 3 column: Twin motor, anti-collision protection, easy install with folded leg system and digital height readout with soft-touch 2 point memory handset.
- Electric 3 column: Add additional functionality to your electric desk by upgrading to a bluetooth adaptor (control your desk via iOS or Android device).
- Upgrade your Agile single sided desk with a set of castors (braked) and manoeuvre your desk with ease.
