

Agile Move Electric Desk

Move more than just yourself. Elevate your health with Agile Move's sit or stand functionality and create a stimulating work environment with the ability to move your desk to a new angle or location for a change of view.

FEATURES

- Two column electric frame with sloped style leg and foot in your choice of powdercoat finish.
- Commercial-grade 25mm construction finished in melamine with 2mm PVC edge.
- Single motor with low noise level (43db) - no co-worker disturbance or irritation.
- Key pad with digital height readout and 4 point memory (change from cm to inches).
- Move about and reposition your desk with ease, includes castors on the main frame leg - retract when desks height is raised from the lowest point.
- Anti-collision protection.
- Adjustable maximum height limit.
- Optional cable trays and management are available.

* Height measurements include worktops.
