

more space

Luxe's increased width and depth (530w x 500d mm) brings a new dimension to Knight's task seating range.

Humans are individuals and each of us has a unique physique, with a larger seating area the Luxe Seat provides a chair for multiple users.

When you have the right seat it makes a difference to how great you feel at the end of each working day.

more support

Luxe's 70mm high density structure provides ultra comfort and support for those intense days in the office.

The Luxe molds to the shape of your body, creating a comfortable snug feeling, while still maintaining an ergonomic balance.

People who are more comfortable in their chair, are more likely to be able to sit and be productive for longer durations.
