

Cubit Lockers

Discover smart lockable storage solutions that boost productivity and keep your workspace organised. Cubit Lockers offer a secure and reliable space for your belongings, providing peace of mind in even the busiest office settings. They offer key-less entry with combination locks and master key override, ensuring hassle-free access and security.

Features

Cubit Lockers are constructed from 18mm E1 board and finished in melamine with 2mm PVC edge.

Melamine colour options - White or Atlantic Oak.

Available in three styles: 2, 3, or 4-door configurations. The 2-door locker includes a hanging rod.

Fitted with soft-closing hinges.

Keep your belongings secure with combination lockable doors.

Concealed adjustable feet ensure stability on uneven floors.

Mail slots enhance air ventilation and provides easy access to mail and small items.

Optional planter boxes (Coming Soon) offer an aesthetically pleasing green solution, available in sizes to fit across 2 x lockers (800mm) or 3 x lockers (1200mm) configurations.
