

Haven Electric

The Haven desking range redefines workspace solutions, bringing precision-driven design and quality to every setting. German-designed, the range offers unmatched durability and versatile functionality. Ideal for home offices, businesses, and large-scale fit-outs, it seamlessly blends exceptional design with ergonomic comfort. AFRDI, BIFMA, and GreenTag certified, Haven desks ensure reliable performance and safety, making premium desking effortlessly accessible.

Features

Precision-engineered steel frame with a durable powdercoat finish.

Features a 50 x 80mm rectangular leg profile with a 670mm foot.

Tops are made from 25mm commercial-grade E1 board with melamine finish and durable 2mm PVC edging.

Standard SSD & DSD top shapes are rectangular, with options for 100mm radius corners, a scallop, or both.

Legs are designed with 3 columns for improved stability, weight bearing capacity and wider range of height adjustment.

Features whisper-quiet twin motors to independently drive each leg up & down – eliminating the need for a gear rail.

Equipped with anti-collision protection for enhanced safety.

The electric handset includes three memory settings and a digital height readout.

Adjustable height 630 - 1280mm (includes top) with a 35mm/sec adjustment speed and a 140kg weight capacity.

Extendable cable tray is standard for DSD configurations and optional for SSD (soft-wiring not included).

Compatible with Studio50 and Active25 screens when paired with screen brackets.

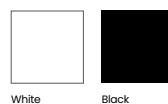

Size Options

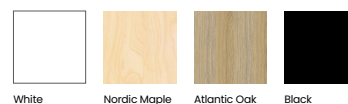

SSD	1200x700mm	1500x800mm	1600x800mm	1800x800mm
